# DRIFTING

By W. R. WILLIAMS

Since the tremendous success of this song there have been several imitations put on the market, all using the same title "Drifting." For this reason when you order this song, be sure you get the "Drifting" by W. R. Williams, writer of more real hits than any one writer in America.

If you will try this chorus over a few times, playing it slowly and with expression, you'll admit that this song is one of the prettiest you have ever heard.

We have it published in three keys, A flat, B flat and C, so as to fit all voices.
